

Literacy Rotations - Week 6

Independent Learning Task

Learning intention:

To develop an understanding of the role of Australian Fire Services and improve summarisation and Keynote skills.

Your task:

Investigate the role of Australian fire services and the response they provide to Australia citizens/communities in emergency situations

You will create a Keynote presentation on your iPad describing what Australia fire services provide. Read the attached information and produce a one-paragraph summary for each area.

Create a new slide for each of these headings:

1. Australian Fire Services (title page with your name)
2. History of fire services
3. What fire services do
4. Firefighters
5. Vehicles
6. Equipment
7. Communications
8. Training and skills
9. Risks and dangers
10. My opinion of fire services
