

Guided Reading - Term 3, Week 1

TASK 1 - Introduction to Scripts

1. In the 'Reading' section of your 5-binder book, your task is to continue the script in the exact same creative writing/narrator style.

It's one year later and Moe the dog and Arlene are 'going to' Egypt. Write a script that includes 2-3 main characters (Moe and Arlene are already two of them) and different narrators (you MUST have six speaking roles in total). What do they get up to? What sort of problems/obstacles do they face? What adventures do they have? How does your story finish? What does each narrator say following the speech of each character? Consider these options carefully.
