

Literacy Rotations - Week 7

Group Learning Task

Learning intention:

To continue developing your groups' Short Film as part of our Movie Making Project.

Your task:

Work together to use this session productively and get the most out of it! If you need to film in another part of the school, make sure you let Mr Sommers know beforehand. You will NOT be able to do any filming in Yarrunga (or any other location outside of the school) in this time.

Keep an eye on how much free space you have left on your iPads - you might have to delete old files (or bloopers/filming that goes wrong) in order to fit your short clips in! Remember to shoot the same scene a few times from different angles to get a range of different shots and give you more options when you put it all together!
