

Speech Writing

Focus: Persuasive speech writing

Length of speech – up to 90 seconds

Grade 5s are to write a speech for applying for a leadership position.

If you are not applying for a leadership position, you still need to write a speech – write it as though you are helping a friend write a great leadership speech.

Here are some ideas you might like to include:

- Why should people vote for you?
- What does CHPS mean to you?
- How do you set a good example to other students?
- How do you help others?
- What do you expect from a leadership position?
- Give an example(s) of when you have demonstrated
 - o Friendliness
 - o Teamwork
 - o Resilience
 - o Respect
 - o Values
- Other examples that might be relevant to specific leadership positions e.g. Sports Captain; Would you be willing to give your own time to pack up sports equipment?

Grade 6s can choose from the following:

- Write a persuasive speech that convinces future students that CHPS is the best primary school in the area.
- Write a persuasive speech about why there should/should not be leadership positions for children in Australian Parliament.
- Write a persuasive speech about how children can change the world.

If you have an alternative suggestion for a persuasive speech, you need to gain approval from the teacher first.
