

Battleships

The Classic Game of Logic & Co-ordinates

Defensive Grid

Offensive Grid

Place the following ships on your defensive grid by placing each boat's letters horizontally, vertically or diagonally.

1 - Aircraft Carrier

A	A	A	A	A
---	---	---	---	---

1 - Battleship

B	B	B	B
---	---	---	---

1 - Cruiser

C	C	C
---	---	---

2 - Destroyers

D	D	D	D
---	---	---	---

Instructions (2 Players Required):

Both players place their boats on the defensive grid according to the chart above. The first player calls out a position (i.e. **3,-4**). The other player says either "Hit" or "Miss" depending upon whether one of his ships is in the position called out. The person calling out should mark a hit or a miss on their "offensive grid" to keep track of the shots. The other player should mark the shot on the "defensive grid". If the shot is a "Hit", the player goes again--otherwise the other player takes a turn. Once the opposing player has scored a hit on all parts of a particular ship, you must call out "Hit...you sunk my Cruiser" (or whatever type of ship it was). Once a player has sunk all the opponents' ships, they are the winner.
